

Annual Chicken BBQ Fundraiser A Success Again!

A hungry crowd gathered at the beautiful McWilliams residence on July 19 for the extraordinary BBQ'd chicken prepared by Ted North. Although the crowd was a bit smaller than last year, the consensus is that the event was once again a success.

Al & Joyce Bradshaw - who moved to Chilliwack late last year - were on hand to hear tributes and anecdotes from their friends and neighbors. Al & Joyce lived in the area for 36 years, 24 of which were spent running Minac Lodge.

Many thanks to everyone who participated in the preparations for the BBQ, and special thanks goes to Ted North for making the journey from Salmon Arm to handle the chickens in his usual outstanding style, and to Bev & Dale McWilliams for opening their property to everyone!

...And thanks to Louise Trill for the photos!
